About us:

- We're an independent local funeral service, not part of a chain. We work across Kent and East Sussex.
- We're positive, creative, straight-forward, green-minded and eco-friendly.
- We're here to help you celebrate the life of your loved one.
- We're celebrants too, so we can conduct a service or lead a ceremony.
- We know how much you spend has nothing to do with how much you love.

How we do - and don't do - things:

- We'll discuss ways you can be involved in making the ceremony and celebration as personal as possible, including where you'd like it to take place. It doesn't have to be in church or at the crematorium, many families have used their garden, home or somewhere else with special meaning.
- We can meet you at home or at Applefield Cottage.

- We won't hurry you, we'll give you all the time you need and help keep things as simple as we can.
- We don't do packages and we're totally flexible, with everything tailored to your budget.
- Unlike almost all funeral firms, we don't charge you more for 3rd party costs* than they cost us - so no hidden extra fees and complete transparency. You can download our price list from the website or ask us to send it by post.
- As well as organising funeral ceremonies and celebrations, we help those thinking ahead to plan their own funeral.

Finally:

- Not all funeral firms are the same - please look on our website to see the feedback we've received.
